**EPSP Volunteer Needed FOR 2017 JpGU-AGU Joint Meeting Program Committee**

AGU is looking for a volunteer to support the Program Committee for the JpGU-AGU joint meeting for session proposal evaluation and abstract acceptance (if needed). The support will not require an in-person meeting and communications will be done through email and phone calls. The session proposal review is tentatively scheduled for mid-November 2016, and abstract submission review and scheduling is will occur in early March 2017. These are the timeframes when support may be required.

If you are interested in helping with this effort, please contact Beth Paredes at [eparedes@agu.org](mailto:eparedes@agu.org) before June 15, 2016.
