

Dear Colleagues:

In this month's issue of the Earth and Planetary Surface Processes (EPSP) newsletter:

1. Attend the Awards Ceremony/Sharp Lecture at the 2016 Fall Meeting
2. Don't forget to contribute to EPSP!
3. 4th Annual Young Geomorphologists Night on Wednesday, 14 December at the 2016 AGU Fall Meeting

Best regards,

Jim Pizzuto

President, Earth and Planetary Surface Processes Focus Group, AGU

---

**Attend the Awards Ceremony/Sharp Lecture at the 2016 Fall Meeting, Thursday, 15 December, 4:00pm-6:00pm and the EPSP FG Reception 6:30pm-8:00pm**

Help recognize Chris Paola (winner of the 2016 G.K. Gilbert Award in Surface Processes) and Alison Duvall (winner of the 2016 Leopold Award). Immediately following the award ceremony, Dr. Duvall will present 2016 Sharp Lecture, one of the highlights of our Fall Meeting Program. The EPSP FG Reception will be held from 6:30-8:00 in the San Francisco Marriott Marquis Foothill C (formerly the Club Room).

---

**Don't Forget to Contribute to EPSP!**

At the risk of sounding like the proverbial broken record....Our programs rely on your support, most of which goes to our student members. If we contribute enough, AGU will match your gift. Even small amounts can be very helpful!

---

**4th Annual Young Geomorphologists Night on Wednesday, 14 December at the 2016 Fall Meeting (from the EPSP FG Student Committee)**

With the financial support of the EPSP FG, we will be hosting a Young Geomorphologists Night during the AGU Fall Meeting again this year in order to promote friendships and discussions among the newer members of our community. We are hoping that this will be an informal and fun way to discuss our current research, funding opportunities, the hunt for graduate programs and post-docs, and so on....over a beer.

The details are as follows:

**Who:** undergraduates, graduates and post-docs who love geomorphology/earth and planetary surface processes!

**What:** a night to promote discussions and friendships among young geomorphologists.

**Where:** Southern Pacific Brewing ([www.southernpacificbrewing.com](http://www.southernpacificbrewing.com)) located on 620 Treat Ave., San Francisco, 94110 (Mission district).

**When:** Wednesday, 14 December at 7:00 pm.

**Why:** free beer and awesome people.

Please circulate this email to anyone you think would be interested in attending! Since Southern Pacific Brewing is located in the Mission district of San Francisco we will be leading a group leaving from the NE corner of Moscone West (meet inside the building) at 6:15 pm. *Also, you need a valid US license or your passport - drivers licenses from other countries were not accepted last year.* And if you have any questions, feel free to email us. We hope to see you there!

On behalf of the EPSP student committee:

Lindsay Barbieri  
Alexander Bryk  
Rebecca Caldwell  
Jon Czuba  
Kieran Dunne  
Amir Erfanian
